Re: Tule Red Tidal Restoration Project Phase II – Phase II Bid Recommendation

Dear Bruce,

On May 30, 2019 bids were received at the Agency for the Tule Red Tidal Restoration Project Phase II. Two bids were received and opened with the following results:

<u>Bidder</u>	<u>Total Bid Amount</u>
The Dutra Group	\$1,848,237.00
Four M Contracting	\$2,475,379.00

  

<u>Bidder</u>	<u>Base Bid Amount</u>
The Dutra Group	\$1,439,487.00
Four M Contracting	\$2,044,609.00
As Advertised Engineer's Estimate Range	\$1,200,000.00 to \$1,600,000.00

I have reviewed the Bid Form, Bid Bond, and additional documentation submitted by the low bidder, The Dutra Group, and have found all documents to have been completed in accordance with the Instructions to Bidders and General Conditions of the contract. Based upon my review of the bid documents, it is my recommendation that the Board of Directors award the contract for the Tule Red Tidal Restoration Project Phase II to The Dutra Group, of San Rafael, California for the Base Bid amount of \$1,439,487.00.

The base bid award amount is consistent with the bid and contract documents such that additive bid items, if selected, will be by change order to the contract.

Please call me if you have any questions regarding the above.

Sincerely,  
KJELDEN, SINNOCK & NEUDECK, INC.
